

# **Dr. Virendra Swarup Institute of Professional Studies, Kanpur**

**Session 2016-17**

## **Institutional Distinctiveness:**

The college is always thriving to give the students best and latest knowledge. The students of our college can't be technically and knowledge wise backward when compared to other advanced students. The students are provided best of computer training facilities, psychological lab, and science labs. They are provided smart classes training and other advanced technology that can knock the future bright opportunities. This is the big reason the students get the vast opportunities of placement. Also the placement drive cells are activated in this direction only. Any teaching vacancy is immediately informed to the students and therefore the updated competitive edged students grab the post.
