Best Practices

1. Promotion of Cultural Program:

Objectives:

- To promote Indian culturalism in educational practices.
- To connect the new generation with traditions and rituals
- To preserve the societal values by giving more opportunities for value education.
- To develop and promote the rich diversity and uniqueness of student teachers.
- To encourage and motivate students to participate in inter collegiate and starts national level competitions.

Process:

- Special programmes are arranged on special occasions like Independence Day, Basant Panchami, Teachers' day, Republic Day and Alumni programmes.
- Teachers make special efforts to polish the professional and ethical skills as well as their inherent abilities among in student teachers.
- Proper use of internet to learn new ideas and providing maximum opportunities for E-content development, E-lesson plans, PPTs making and programmed instruction too.

Obstacles:

- Behaviour and psychology of student differs from one another. At time we need to convince them and bring at one platform.
- There are students who face lack of family support. We personally try to reach such parents to convince.

- There are some students who for the sake of family responsibilities and societal pressure face problem to come regularly but we organize meetings with them and their family too and persuade them the importance of teacher training being provided with complete dedication.

2. Support to Students

Objectives:

- Students should feel comfortable and like home.
- We try to provide user friendly environment.
- Control of unnecessary stress and anxiety and try to feel at ease at every step.
- To attract more and more students for admission and spread a positive word.
- To arrange the personality development workshops that maximum opportunities may be given for placement in reputed schools.

Process:

- Counselling, motivation and encouragement of students at the time of need, depression, anxiety and stress by regular meetings conducted by Grievance redressal Cell
- To guide students regarding admission process, syllabus, examination and future plans.
- Free coaching to students regarding CTET and UPTET competitive exams.
- Arrangement of various workshops like Pidilite workshops to polish and practice the creative skills.
- Financial help from Social Welfare Department in the form of fee reimbursement and scholarship to Gen/Sc/ST/OBC students and via book banks or giving relaxation in KIT fees.
